

One Vote For Andrea

Don't be misled by, "elect me and I will", campaign promises. Why wait! Tom has been working to help Pequannock for years. It is more important than ever to get Tom elected this year, to bring a balance to the Council. Tom needs your vote!

This year there are three Council positions up for election.

There are five Council positions total. The three other Candidates are all Board of Trustees for the Glens and do not have the community service experience Tom has in Pequannock. If all of Tom's opponents get elected they will have the majority of the Council positions and that means control over the town.

Tom is the only Candidate with extensive community service experience and experience working with our local government:

- Member and Secretary of the Pequannock Environmental Commission*
- Pequannock Township Public Schools "Solid Citizen Award" recipient*
- St. Mary's Religious Education Teacher & Peacemaker's Award recipient*
- Pequannock Recreation Soccer Coach*
- Former Pequannock Community Dispute Resolution Committee Member (Tom is a Trained Mediator)*
- Former Boys and Girls Club Hockey Coach*

Some of the issues Tom will work on:

- Controlling taxes and fees paid to the town, making sure we are getting the most for our money.
- Work on reducing flooding in town and the emergency notification of residents.
- Informing residents on what is going on in town.
-
- If others' campaign promises sound too good to be true, they probably are just rhetoric.
- Please contact Tom Andrea if you have any questions or would like to discuss the issues.
